

#### **§ 979.54**

(3) That regulations issued hereunder obstruct or no longer tend to effectuate the declared policy of the act.

#### **§ 979.54 Handling for special purposes.**

Regulations in effect pursuant to §§ 979.42, 979.52, or 979.60 may be modified, suspended, or terminated by the Secretary, upon recommendation of the committee, to facilitate handling of melons for: (a) Relief or charity, (b) experimental purposes, (c) exports, and (d) other special purposes, which may be recommended by the committee and approved by the Secretary.

#### **§ 979.55 Safeguards.**

The committee, with the approval of the Secretary, may establish through rules and regulations, the requirements with respect to proof that shipments made pursuant to § 979.54 were handled and used for the purpose stated.

#### **§ 979.56 Notification of regulations.**

The Secretary shall promptly notify the committee of regulations issued and of any modification, suspension, or termination thereof. The committee shall give notice thereof to all handlers of melons in the production area. In addition, the committee shall make the information available to growers through appropriate news releases or such other means as may be available.

#### **INSPECTION**

#### **§ 979.60 Inspection and certification.**

(a) Whenever the handling of melons is regulated pursuant to § 979.52 or at other times when recommended by the committee and approved by the Secretary, no handler shall handle melons unless they are inspected by an authorized representative of the Federal-State Inspection Service and are covered by a valid inspection certificate, except when relieved from such requirements pursuant to § 979.52(c), or § 979.54, or paragraph (b) of this section. The cost of such inspection shall be borne by the applicant.

(b) Regrading, resorting, repacking any lot of melons, or breaking any lot (without continuing identification of applicable inspection or subcertification thereof) shall invalidate any applicable inspection certificate insofar

#### **7 CFR Ch. IX (1-1-04 Edition)**

as the requirements of this section are concerned. No handler shall handle melons after a lot has been broken, regraded, repacked, or resorted, or in any other way additionally prepared for market, unless such melons are inspected by an authorized representative of the Federal or Federal-State Inspection Service. Such inspection requirements on regraded, resorted, repacked, or broken lots of melons may be modified, suspended or terminated upon recommendation by the committee, and approval of the Secretary.

(c) Insofar as the requirements of this section are concerned, the length of time for which an inspection certificate is valid may be established by the committee with the approval of the Secretary.

(d) When melons are inspected in accordance with the requirements of this section, a copy of each inspection certificate issued shall be made available to the committee by the Inspection Service.

(e) The committee may recommend and the Secretary may require that no handler shall transport or cause the transportation of melons by motor vehicle or by other means unless such shipment is accompanied by a copy of the inspection certificate issued thereon, or such other documents as may be required by the committee. Such certificates or documents shall be surrendered to proper authorities at such time and in such manner as may be designated by the committee, with the approval of the Secretary.

#### **REPORTS**

#### **§ 979.80 Reports.**

Upon request of the committee, made with the approval of the Secretary, each handler shall furnish to the committee, in such manner and form and at such time as it may prescribe, such reports and other information as may be necessary for the committee to perform its duties under this part.

(a) Such reports may include, but are not necessarily limited to, the following:

(1) The number of acres of melons and the approximate dates planted, for all melons which will be handled by each handler;
